ANNOUNCEMENT

We take pleasure in extending to all lovers of Shorthorns this invitation to attend our sale on March 23 and 24, at which time we will disperse a wonderful lot of cattle.

I question when there has been in recent years an opportunity to attend a sale where so many good foundation cows have been sold, together with their produce, that have such a desirable line of breeding, as will be offered to the public in this sale.

Look through the catalog and note the dams with calves at foot and many rebred to the great herd bulls that are in service in the herd.

The herd is right in every way. As we are in an accredited area, the herd has passed two successive clean tests for tuberculosis.

These cattle are not burdened with an oversupply of flesh, but are in a good working condition, and hope you will have pleasure and profit in making us a visit on March 23 and 24.

Very truly yours,

C. B. BALDWIN.

GUARANTEE

All cattle selling for more than one hundred fifty dollars for any one lot will carry a guarantee of a 60-day retest for tuberculosis, provided they are kept segregated.

All cows with calves by side or well along in calf have their own evidence as producers and no further guarantee will be given. All females 18 months of age and older guaranteed breeders if reasonable judgment is used mating with bulls that are breeders.

All bulls sold as single lots are guaranteed breeders if not allowed to run with the herds. Any females or bulls selling for less than one hundred fifty dollars will carry no breeding guarantee.

Should any cow react to the 60-day retest that has calf at foot, either bought in sale or calved after the sale, and the calf does not show any reaction, the calf shall be retained by the purchaser at one-third the price of the single lot in which it was sold.

Should there be any reactors to the 60-day retest or any nonbreeders, settlement will be made on the following basis:

All animals will be weighed at time of shipment and a price of 10½ cents per lb. be set as a basis of their worth and I will refund the difference in cash between what they will figure on that basis and what the buyer will have paid. I am making this basis of settlement, as I will have no cattle to replace with, and further, to avoid any needless transportation charges. All claims to be made within 90 days after sale.

All cattle will be fed and loaded on cars free of charge after sale, but will be at buyer's risk, should any accident occur. However, they will be handled and cared for the same as before the sale.

HALF RATE:—Shipping certificates will be furnished and in less than carload lots you can ship at one-half rate with a minimum of \$7.00.
